35

35 now And now I know My place

E A A E

40 E A A E 3

40 And now I know my place

44 E A A E

44 Were all just pieces in their games

Pleading eyes that break my heart
 So hopes that I can feel
 But I know I must play my part
 And tears I must conceal
 There comes you to keep me safe from harm
 There comes you to take me in your arms
 Is it just a game? I don't know
 To keep you safe from my bow
